Opis produktu

Black 12" vinyl (33rpm) in jacket sleeve, printed on unfinished card stock with double sided deluxe insert.
First pressing 350 copies.

Though they came together from far corners of the Nordic underground, Night Shall Drape Us are united by blood and an unwavering spirit for fast, melodic, uncompromising black metal.
Their debut album features eight perfectly executed hymns sung by a relentless choir of lunatics. ‘Lunatic Choir’ offers fast blast beats together with raw yet melodic traditional black metal riffs.
“One with the beasts of the black flame”, the band chant in dedication during "Under the Dead Sky", giving themselves into the arms of Holy Death.
