Opis produktu

After more than 20 years, NIGHTINGALE’s's celebrated fourth full-length, “Alive Again”, is available again, remastered (CD/LP) by songwriter/frontman/producer Dan Swanö (Opeth, Katatonia, Oceans Of Slumber). Originally released only on CD in 2003, “Alive Again” starts the build-out of NIGHTINGALE's harder rock tendencies as they bridge '70s rock, AOR, prog and metal. The group's international profile also saw them pull in friend Arjen Lucassen (Ayreon, Star One) to guest on "Falling". “Alive Again” features stand-out tracks "Shadowman", "The Glory Days", "Shadowland Serenade" and the 11-minute saga "Eternal". The definitive re-issue edition of “Alive Again” is now available as a Ltd. Digipak 2CD (10 + 20 bonus tracks) with O-card and for the first time ever on vinyl, as 180g LP (10 tracks). Restored, renewed and extended, fans will revel at NIGHTINGALE's brilliant “Alive Again” once more.
