Opis produktu

After 20 years, NIGHTINGALE's highly acclaimed fifth full-length, "Invisible", is now remastered by songwriter/frontman/producer Dan Swanö (Opeth, Katatonia, Oceans Of Slumber). Originally released only on CD in 2004, "Invisible" found NIGHTINGALE appealing to a broader audience as the band greatly expanded upon "Alive Again" (2003). The album features stand-out tracks "Still Alive", "A Raincheck on my Demise", "Atlantis Rising" and closing epic "Stalingrad". The 20th Anniversary re-release of "Invisible" is now available as a Ltd. Digipak 2CD (10 + 28 bonus tracks) with O-card and for the first time ever, on vinyl as a 180g LP (10 tracks). Longtime fans and new devotees to the NIGHTINGALE faithful will find "Invisible" restored, renewed, and as vibrant as ever.
