Opis produktu

Shadow Kingdom Records is proud to introduce Nigromante! They've been around since 2003 trying to perfect their Heavy Metal sound. Spain hasn't exactly been a melting pot for Classic Heavy Metal, so we're very lucky to find such a great band there. Nigromante are the big fish in the small pond over there. They are from Spain, but they're absolutely influenced by the N.W.O.B.H.M. and 80's US Metal. The vocals are more barbaric, very much like Portugal's Ironsword. The guitar tone on this album is so thick and abrasive, which creates a great heavy metal pounding atmosphere. The songs are well crafted and extremely catchy. They have so many influences from Anvil, Motorhead, Venom, Black Sabbath, Iron Maiden, Judas Priest, a tinge of old 80's Black Metal and many more.
