Opis produktu

After seventeen years in the making, it is finally here. Published through THE SINISTER PRINT.

“Re-Opening Old Wounds tells the story of how Swedish-born Niklas Kvarforth started his band SHINING during one particularly hot summer eve in 1996. In painful detail he reveals all the uncensored filth and violence that would ensue, bringing the Originators of Suicidal Black Metal into a more commercial spotlight, before culminating in its inevitable end.”

Divided into two equally lengthy parts (274 pages each), BOOK ONE is now available in a beautiful 14×21 cm hardback edition from THE SINISTER INITIATIVE and THE AJNA OFFENSIVE.

Limited to 2000 copies.
