Opis produktu

Prepare for total devastation and annihilation: the *Baphometric Goat of Thermonuclear War* awaits. Originally released in 2012 in a super-limited tape edition of 100 copies, *Baphometric Goat of Thermonuclear War* joins together two of the most savage cults in the black/death underground, South Korea's NOCTURNAL DAMNATION and Ecuador's NIHIL DOMINATION. Now seeing a split 7" vinyl release courtesy of HELLS HEADBANGERS, the wider world can witness the barbaric, catacomb-dwelling bestiality of NOCTURNAL DAMNATION and the oblivion-seeking warfare noise of NIHIL DOMINATION. Hail nuclear war metal, and the *Baphometric Goat of Thermonuclear War*!
