Opis produktu

Unlike many bands which when they find a good melody repeat it over and over, Nokturnal Mortum use a skill of subtly varying the melody to create a progress of change and then after a while return to the initial melody. Brilliant keyboard work and the vocals are done just right. Return Of The Vampire Lord, one of the best black metal songs ever recorded ! Includes Death SS, Burzum & Graveland cover songs.

Re-issue, CD booklet 8 page stapled with PMS print, re-mastered specially for CD.
