NOKTURNAL MORTUM Twilightfall [CD]

Cena	51,90 zł
Dostępność	Dostępny
Czas wysyłki	5 dni
Producent	Osmose Prod.

Opis produktu

Twilightfall is an album that should not be overlooked by anyone who appreciates some good metal even if it's not completely clear exactly what genre Twilightfall falls into.

Nokturnal Mortum will probably never make an album like this again, so it's a classic in its own right. There's enough here to last for many listens and more. Even better, the demo was re-released in a full-length album remastered in 2005, but was out of print for a decade under CD format !
