#### More Info:

Reflecting on how far he has come with **NORTHTALE**, from being a dream to its troubled beginnings, Hudson makes no secret of how pleased he is with the final result of **Eternal Flame**. *"I absolutely love the album, and I've probably listened to it more times now than I've ever listened to the first **NORTHTALE** album. When 'Welcome To Paradise' came out I was super excited about it, and back then I would have said it's a perfect album. Now I can barely stand to listen to it. 'Eternal Flame' couldn't be better. It's perfect to my ears.... at least until we make the next album."*
