NÚLL, also known as 0, was formed in Reykjavík, Iceland in 2012. The band features members of notorious black metal acts such as Misþyrming, Naðra, Carpe Noctem. Their debut album *Null & Void* was released by Vánagandr and Pest Productions in 2014 and got noticed for its cleaver melodies, eerie nihilist doom metal and creative vocals.
Null means nothing. In celebration of all things hollow and void, howling psalms of naught into the endless emptiness. Whereas *Null & Void* revolved around nothingness, *Entity* focuses on futility and obsolescence. Everything is nothing. Nothing is everything.
