Opis produktu

Featuring two of death metal's longest-running bands - NUNSLAUGHTER formed in 1987, while Germany's BLOOD formed the year before. Exclusive new material from both bands, propagating the glory of classic-values DEATH METAL done the old/right way. NUNSLAUGHTER offer up three quick-hitting bangers of their patented Devil Metal, here featuring the same rock-solid lineup that delivered their massively acclaimed comeback album last year. More ripping and tighter than ever. BLOOD likewise saw something of a quiet period in recent years, with their last recorded work being 2017's full-length Inferno, but the Germans' four tracks here show that they're making up for lost time - and then some!
