Opis produktu

Cleveland’s unholy denizens of the underground, NUNSLAUGHTER, come slamming out of the grave in 2026 with their BLKIIBLK Records debut, Satanic Chaos Legions. A constant in extreme metal and an unyielding inspiration for generations of black metal and thrash provocateurs, NUNSLAUGHTER’s latest hymnal of brutality kicks off with its track’s call-to-irreligious arms and doesn’t let go to the bloody end. Tracks like the grinding “Peukharist” or the uncompromising “Unsacrament” batter the senses like the bastard offspring of Slayer and Earth A.D. era Misfits, inverting crucifixes worshipping at the hoof of the ibex. Now, having set fire to the international metal scene at festivals across the globe, ritual performances with Acid Bath and tours with fellow Satanic royalty, Midnight, make no mistake NUNSLAUGHTER’s campaign of world-defilement is just beginning.
