### Opis produktu

CD in deluxe Digipak with 12-page booklet.

Upon the birth of their first full-length album 'Lone' in 2019, atmospheric death doom duo OAK emerged from Portugal with a slow and steady force, like roots breaking concrete. After four years of slumber, the band has awakened like the old gods, ready to release utter devastation onto the masses with sophomore effort 'Disintegrate'. For nearly 45 unforgiving minutes, this mournful maelstrom drags the listener asunder, while tormented growls and agonizing riffs echo deep despair within the atmospheric abyss.

For fans of SHAPE OF DESPAIR, AHAB, MOURNFUL CONGREGATION, ESOTERIC.  
Artwork by Belial NecroArts.
