Opis produktu

Obvurt is a death metal band from Quebec city, Canada. The band's name stands for obvert (to oppose) and Hurt (to wound). This trio was formed in 2020 with Philippe Drouin (ex Unbreakable Hatred) Olivier Pinard (Cryptopsy, Cattle Decapitation) and Samuel Santiago. Following the aftermath of a terrible motorcycle accident, Philippe was left unable to play guitar and had to learn from scratch to play left handed. this remarkable recovery inspires the title and lyrical concept throughout the album.
