Opis produktu

Jewel Case CD with 8 pages booklet.

Crawling forth from the catacombs of the American extreme metal substratum, OCCULSED conjure "Antegnosis", a cryptic tome of dissonant revelation! A fever-drenched liturgy of warped riffcraft and guttural incantations, dragging listeners through a labyrinth of sonic decay. A necrotic ritual steeped in arcane resonance!
For fans of Incantation, Morpheus Descends, Funebrarum, Blaspherian.
