### Opis produktu

Limited to 200 hand-numbered copies.  
Comes as "old school" Maxi CD.

Two long older songs written back in 2016-2018, recording as an introduction to the "Welten Mutter" full-length through artwork and lyrics. In addition, it marks the departure of long time drummer Groll. On this recording, Odal switched the line up: Taaken (usually git/voc) took over the drums, while Groll (usually drums) contributed the vocals and lyrics for the songs on this farewell release.
