Opis produktu

French black metal mavericks Oes Galliath return after 10-year hiatus with their farewell album "Sous l'Oeil Fermé Des Paradis".

From nauseous black metal to sheer acoustic contemplation, psychedelic leads, and soaring arrangements, Oes Galliath's swansong is an act of defiance in itself. A ghastly testament of escapism from the industrial suburbs of Paris. A death letter to the ancient world. An ode to spiritual awakening and personal growth.
