Opis produktu

Half white/half black vinyl repress. Comes housed in noble gatefold sleeve with 5mm spine printed on 350gsm carton and with double sided inner sleeves printed on 220 gsm carton.

Old Funeral was born 17th of May 1988 and died in October 1992.

This album contains what happened in between. No tracks are re-mixed, nothing has been touched up. It's all straight from original tapes. These recordings feature legendary artists (members of BURZUM, IMMORTAL, HADES, The BATALLION) in several unique line ups pioneering some of the oldest Norwegian black, deathrash and death metal!

This complete compilation, featuring ALL tracks Old Funeral ever recorded, follows Old Funeral from their rebellious youth through to an ending in darkness.

Includes:

The first 7 demo recordings NEVER released before except for the 50 original cassette copies from 1989.

Live recording from Garage, Bergen, Norway in April 1991. NEVER released in any format before.

The "Abduction Of Limbs" 1990 DemoThe "Devoured Carcass" 7" 1991 EP

The track "Forced To Be Lost" 1991 recorded in Grieghallen.

The September 1992 advance tape

Live track from Hulen, Bergen, Norway 1991.

Vinyl Gatefold/ CD booklet includes original democover artwork + flyers + never before seen pictures including the VERY FIRST photosession from May 1988!
