Official re-issue of the classic 1994 material!
Founded by Grusom (aka Galder) in 1993 with then co-conspirators Aldrahn of Dødheimsgard, Brynjard Tristan and Silenoz of Dimmu Borgir something magical was created directly from the birth of Old Man’s Child.
The 1994 demo “In The Shades Of Life” captures and breathes the unmatched unique mid nineties (Norwegian) black metal atmosphere and sound.
Soulseller Records proudly presents the official re-issue with artwork of the 1996 cd edition as created by Shagrath for Hot Records, including lyrics and early pictures properly documenting what once was.
Pictures for this release were provided by Tjodalv whereas the original DAT master tape has been provided by Grusom (aka Galder) !! In addition the 2 tracks from the sessions MCMXCVI previously released on the 1997 Hot Records compilation «The Rape Of The Holy Trinity» are included as bonus tracks.
A true gem not to be missed printed on jewel case cd, cassette and for the first time as stand alone vinyl!
