Opis produktu

Ladoga is a call of a modern man to his roots. It’s an attempt to look at the life of the ancient man through the prism of the legends and today’s cultural paradigm. The man who is physically same yet so diffident in mind.
It’s a journey from nowhere to nowhere. It’s about a fate of a person in the eternity of the existence.

released October 26, 2020

Recording, mixing and mastering by Mikhail Kurochkin
Cover art: Margoat (@margoat_art)
Lyrics by Alexander Yordaki
