Step into the abyss with ON ALL FOURS!

Their music is a haunting requiem for the soul, a reminder that even in the darkest recesses of existence, there is no escape from the crushing weight of hopelessness.

ON ALL FOURS shapes a world of desolate landscapes, where the skies are perpetually shrouded in a toxic haze and the only sound is the echo of your own screams.

Join this journey into the heart of darkness, where the lines between reality and madness blur and the very fabric of existence is torn asunder. For in the depths of despair lies a strange, morbid beauty, and ON ALL FOURS is your guide through the twisted landscape.
