Opis produktu

This is Ondskapt's fourth full-length album. We are proud to present this opus to our fans and new listeners. Grimoire Ordo Devus is a very deep and profound dream state. This release and its content are not meant to be an occult manuscript but an audial and spiritual essence of evil. This music is of dreams, follow us into our nightmares and be one with death. Embrace this dreamland into the psychosphere of Ondskapt. Let the trinity of Grimoire Ordo Devus be your guide.

500 x brown 12" (180g) in a black poly-lined innerbag, dowload card, gatefold jacket with 2 PMS and black flood inside on 350g, all assembled in a PVC overbag.
