This divine opus was released in 2001. It was the first ONDSKAPT release in the history of the band. Finally we can announce that it is back from its tomb. Re-mastered and re-issued, you; the listener can hear a far more clear and dynamic experience of its entirety. “Slave Under His Immortal Will” was the starting point of a path leading into the vast beyond. We are truly proud to finally have had the possibility to make this re-release happen. Embrace this piece of pure dedication and pristine devilry.
