Listen. Here is One of Nine. An image Shrouded in Unlight.
A sound Enchanted by the Mother of Strangling Doom.
One of Nine. Unfaced, & unlit. They present here their efforts, a collection of tales. An offering to the perilous realm and the Great Tyrant of Utumno!

Eternal Sorcery! Eternal Sorcery! Eternal Sorcery!

Eight pummeling hymns of dark majesty with every note echoing the burden of piety to the Black Foe of the World.
No remorse will be found in the wailing vocals, coupled with intricate guitar work – blazing with catchy yet somber melodic leads and acoustic lines. And no rest will be felt in the rhythmic, percussive assault - a symbiotic swirling of song and sorcery.

Come and see! As they journey through sonorous blood and fire, as they carry the glorious spark of olden days into unknown eons, with an iron will and a fervor that shines beyond the pathetic perimeters of time and space, into a vortex of Black Medieval Sorrow!

Eternal Sorcery will drag the pitiable listener from the windless Sundering Sea to the Forgotten South of the World, beyond the borders of the sun-lit lands, to that final realm, where the dark nets of enshrouding gloom drape eternal.
They are One of Nine! This is Eternal Sorcery!
