Opis produktu

Six panels digipak CD

From the ever-creating mind of Finnish musician Juuso Peltola (Warmoon Lord, Argenthorns, Old Sorcery, Tenebrarium and many more) comes Oneironaut, a brand new music journey along the German ambient tradition. Oneironaut can be viewed as a distant cousin of Old Sorcery, spawned beyond a weird horizon, in another dimension alien to sword & sorcery. Slumbering in retro science fiction themes and powered by vintage synthesizers both cosmic and esoteric, Alien Gnosis aims to take the listener to a profound journey through the borders of imagination. Oneironaut is a new piece in the collaboration between Avantgarde Music and the Finnish artist, expanding towards new galaxies. Adorned with a beautiful painting by Mara Hiltunen, Alien Gnosis is a long, fascinating path through galaxies far, far away...
