Opis produktu

CD version with 12 pages booklet, including a 'hidden' bonus song

Lovecraftian horror masters of Death Metal are back from stagnation. Exactly four years after their last EP “La Maldición”, BlackSeed Prods launch the anxiously awaited third full length album of Oniricous, under the title of “Los Cultos Del Ghoul”.

Ten Spanish-sung songs of real Death Metal. Call it classic, timeless, old school, or simply frightening Metal of Death, with a fantastic guitars work and memorable tunes, which surely will be able to open the gates, bring the ‘Great Old Ones’ to Earth, and make Chaos reigns.

The album has been recorded and mixed at the Moontower Studios under the control of Javi Félez, and mastered by Jaime G. Arellano at the Arda Recorders Studios.

Album art has been done by the Great Master Daryl Hutchinson, legendary US illustrator of ‘Lovecraftian’ visual arts. Hutchinson did illustrations for several US horror & Terror fanzines during the 80 & 90’s years. Furthermore, he was the creator of the first tarot deck of cards about the Chthulhu myths.

“Los Cultos Del Ghoul” is unleashed by BlackSeed Productions in both LP and CD formats on November 30th, 2023.

LP comes with 4 pages insert and A2 poster in 2 different versions, regular black and special 'sea' blue vinyl.

CD comes in jewel case with 12 pages booklet and an exclusive hidden bonus song not featured anywhere else

Iä Iä Cthulhu Fhtang!
