Opis produktu

ÖRNATORPET's new album "Vid Himinsenda" works a majestic, mesmerizing spell. Truly, this is a portal to a forgotten realm, an arcane age whisked into the present if only to be witnessed within the mind's eye. Don't blink and miss it...

Paradoxically, for music so glacial, ÖRNATORPET works at a feverish pace, and "Vid Himinsenda" is the artists second album this year. As ever, the magick 'n' mysticism of the mid '90s is invoked once again, recalling long-lost sounds.
