Opis produktu

Having recently inked a record deal with Sepulchral Productions, Ossuaire emerges anew as the grandiose and impetuous first chapter of a concept spanning two albums and recounting the major events contributing to the downfall of christianity and the rise of heresy resounds. Ossuaire delivers a resolutely unwholesome breed of Black Metal, both corrosive and melodic, bestowing upon this offering an aura that is as dark as it is authentic.

Black vinyl (180 grams), 4-page booklet. Limited to 400 copies
