Opis produktu

Ossuary gave us two cult demos in 2015 and 2019 respectively. The latter is now finally back on vinyl via Me Saco Un Ojo Records, ensuring all fans of bestially triumphant Death Metal can be slaughtered in 2023, as this record is still just as relevant. Malicious, eerie, unrelenting and scathing; Ossuary cover all bases for a macabre and violent experience as you are degraded into powder by the sheer might of true old school ferocity.
