OTHER WORLD is a crushing and contemporary Black Metal band based in California, where ex-members of **BLACK SALVATION**, **PILLORIAN** and **BOREWORM** explore the beauty in chaos and darkness.

After arriving on DMP in authoritative style with epic 2023 single "***Of Death and Alteration***", the band expand and consolidate their vision via new album "***Tenebrous***": an intensely emotive and hard-hitting representation of being locked away from the light with only anxiety, loss and grief for company.
