OTHER WORLD is a crushing and contemporary Black Metal band based in California, where ex-members of **BLACK SALVATION**, **PILLORIAN** and **BOREWORM** explore the beauty in chaos and darkness.

After arriving on DMP in authoritative style with epic 2023 single "**Of Death and Alteration**", the band expand and consolidate their vision via new album "**Tenebrous**": an intensely emotive and hard-hitting representation of being locked away from the light with only anxiety, loss and grief for company.
