Limited to 500 units (black vinyl).Description:Today Oct 12 on Indigenous People’s Day and with support from Profound Lore Records, PAN-AMERIKAN NATIVE FRONT brings forth a new onslaught of tenacious indigenous resistance; a new EP titled Howling Piercing Darkness!

After 20 years since the Fall, the Nations of the western North take arms in a clash that became the Mixton War of 1540! Here, we hear the rising indignation of the Caxcan people. Rage and fury lead to an outbreak of war in the foothills of a new frontier. Four new arrows iuerce through the night sky!

We remember the arrow militia! Tenacious spirited resistance! Long live Franisco Tenamaxtli!
