Opis produktu

CD • Gatefold digisleeve • 16 page booklet

“Kentucky” by Panopticon stands as a groundbreaking fusion of US black metal and Americana, delving deep into the heart of Kentucky’s cultural and environmental legacy. Austin Lunn's passionate exploration of the coal miners’ struggles against exploitation is masterfully intertwined with bluegrass melodies, creating a unique narrative of resistance and reverence for the state’s rich heritage. “Kentucky” is an essential listen for anyone drawn to music with depth and historical significance.

The 2024 "Kentucky" CD re-issue comes in a gatefold digisleeve, complete with a 16-page booklet that includes reworked and extended art. A thoughtful update to the original, ideal for both longtime fans and newcomers.

Tracklist:

1. Bernheim Forest In Spring
2. Bodies Under The Falls
3. Come All Ye Coal Miners
4. Black Soot And Red Blood
5. Which Side Are You On
6. Killing The Giants As They Sleep
7. Black Waters
8. Kentucky
