Originally released in 1994, **Paradise Lost's Gothic EP** combined the tracks from the 1990 In Dub two track 12" release with alternate studio remixes /re-arrangements of two tracks from the band's *Gothic* studio album (1991).

The band's first two albums were released on Peaceville, in the shape of 1990's influential deathly debut *Lost Paradise*, followed up by the more atmosphere-focussed genre classic, *Gothic* in 1991.
