PARFAXITAS - *Weaver of the Black Moon*

Venturing into the world of Nightbringer, Abigor and Sinmara, with hints of Emperor-esque grandeur, Parfaxitas is a new project by familiar faces;. K.R of Whoredom Rife, B.Einarsson of Sinmara/Slidhr, Azlum of Merihem/Oculus/Manetheren, and YhA from Suffering Hour. It’s a grand declaration of war, a monumental feat of organized chaos, an album filled to the brim of intricate Black Metal. This is an album in full, where every song works as a fundament to make it stand tall amongst giants, an album that demands your attention for nearly 50 minutes.

Submerge yourself in Parfaxitas’ debut album and let the power of Satan compel you.
