## Opis produktu

Hot on the heels of December 2020's buzz-creating first demo "**Exponential Decay**", two-piece "Rasterized Death Metal" band **PERILAXE OCCLUSION** from Ontario, Canada present a more dynamic, more expansive and even heavier 3-song second demo "**Raytraces Of Death**".

These new tracks are the perfect blend of old-school Finnish and contemporary low-slung organic Death Metal from the Americas; a crushing, churning and elastic riff-fest of HM2-tinged chainsaw guitars, thick growling bass, forceful drumming and perfectly guttural vocals which deliver unique lyrics based upon 3D modelling, rendering techniques, optical illusions and death.

*Comes in a 6-panel digipack w/ black polycarbonate CD. Limited to 500 copies.*
