Canada's "Rasterized Death Metal" duo **PERILAXE OCCLUSION** (2020 – 2023) bow out in ferocious and belligerent style with "**Vapor Chamber**", a complete discography compilation which will be the band's final release.

10 songs – totalling over 68 minutes in duration - of exemplary amalgamated Finnish, Swedish and American-style Death Metal with modernist swing, organic power and every riff a winner. A monumental collection to be treasured, for there will be no more.
