## Opis produktu

### Digipack CD

*Comes in a 4-panel digipack w/ an 8-page booklet. First batch comes in black polycarbonate CD.*

Building upon the symphonic Black Metal stylings of their masterful 2022 debut "***The Ashen Abhorrence***", enigmatic Finnish duo **PESTILENT HEX** return with second opus, "***Sorceries of Sanguine & Shadow***", to herald a new era of malevolent grandeur and melodic aggression.

The work of multi-instrumentalist *L. Oathe* (**DESOLATE SHRINE**, **CONVOCATION**, **ORDINANCE**) and vocalist/lyricist *M. Malignant* (**CORPSESSED**, **TYRANNY**, **PROFETUS**), "***Sorceries of Sanguine & Shadow***" is still primarily inspired by legendary '90s second wave Black Metal but diverges from the neoclassical and baroque undertones of the debut into more contemporary, complex and exquisitely labyrinthine realms.
