Opis produktu

2013 x Red with Black Smoke Standard Gram

Extreme sound nihilists **PIG DESTROYER** deliver savage grindcore that is both intentionally confrontational, and thoroughly pummeling. *38 Counts of Battery* is still an intense register of the band's work as ever. Fully remastered and available on LP for the very first time, *38 Counts of Battery* features the remastered 'Explosions in Ward 6' album, tracks from the highly sought-after (and sold out) split with Isis, their scalding demo, and much more.
