### Opis produktu

**PIG DESTROYER announce the 20 year anniversary, remixed/remastered reissue of *Painter of Dead Girls*, a collection of early recordings and b-sides!**

***Painter of Dead Girls*** is a compilation split into two parts, with the first half showcasing songs initially tracked as an equipment burn-in test leading up to the band's seminal *Prowler In The Yard* full-length. The secondary half of the material includes songs from their cult splits with *Gnob* and *Benümb*, covers of *Helmet* and *The Stooges*, the long-lost track "Delusional Supremacy 2K", and a raw basement live recording of "Rejection Fetish". The cover art was done by Chris Taylor of Pg. 99 who would later create the art for the band's iconic *Terrifyer* album, which also turns 20 later this year.
