Opis produktu

LUNAR APPARITIONS is proud to present a special EP from the enigmatic PRIMOGENORUM, Ye Last Ordeal, on CD format.

PRIMOGENORUM was spawned in the morbid pits of Ukraine in 2008, from the sick mind of Lucifug. Always using the purest/purist foundation of black metal as an instrument of unhumanity and spiritual perdition, under the PRIMOGENORUM banner has Lucifug released two full-lengths as well as several demos and splits during these dark years.

Now, 10 years after the first demo, the circle is complete with Ye Last Ordeal, which will indeed be the last opus of the band. Everything has been said; you only should have listened. Rotten and ruinous to the very last note, to the last slit of the listener's throat, this is the forlorn final chapter upon the path of PRIMOGENORUM: diseased, desiccated, sickness of the mind, body, and soul, all-caps BLACK METAL to the bitter, lonely end. See you in Hell! Adalord Satan Haegl!
