Opis produktu

CD in Jewel case with 12 page deluxe booklet.

Notorious black metal apostates PROFANATICA emerge from their den of iniquity with the new full-length 'Crux Simplex'. Their latest salvo of sin and sacrilege, this ten-track offensive is a nasty affront that bastardizes the first 10 stations of the cross.
Led by infamous master of black perversion Paul Ledney, the band deal in bestial, first-wave black metal barbarity, and 'Crux Simplex' unveils ungodly levels of bile and blasphemy.

For fans of (early) MAYHEM, POSSESSED, INCANTATION, HELLHAMMER, BLASPHEMY.
Artwork by Abomination Hammer.
