Opis produktu

US Progressive Metal pioneers and innovators PSYCHOTIC WALTZ finally make their entire compelling and timeless back catalogue available again worldwide via InsideOutMusic. Across two chapters of re-issues (May & July 2024), the band's classic first four albums – "A Social Grace" (1990), "Into The Everflow" (1992), "Mosquito" (1994) and "Bleeding" (1996) – will be available newly re-mastered by Patrick W. Engel / Temple Of Disharmony as 2CD Digipaks with tons of rare or previously unreleased bonus material as well as expanded layouts, and the main albums will additionally be re-issued as Ltd. Gatefold coloured LP editions on 180g vinyl. An additional demo rarities compilation (of some of the bonus material) entitled "To Chase The Stars (Demos 1987 - 1989)" will also be made available as Ltd. Gatefold 2LP edition, making this re-issue campaign an exciting and indispensable project for both longtime connoisseurs of the band as well as more recent, new-generation members of the ever-growing progressive music community.
