Classic Death Metal recordings finally available again!

Featuring the complete split LP sessions and a previously unreleased ‘89 live recording!

Hammerheart Records re-issues the infamous Pungent Stench side of their split with Disharmonic Orchestra.

Raw and filthy Death Metal, recorded in 1989 and still standing as a milestone of underground brutality.

This release also includes the “The Pleasures in Life” compilation songs from the same studio session, plus crushing live

recordings as bonus.

These tracks show Pungent Stench at their most primitive and unhinged.
Essential for fans of early Death Metal history!
