PURE WRATH were formed 2014 in West Java, Indonesia as the anguished, atmospheric and affecting Black Metal project of multi-instrumentalist *Januaryo Hardy*.

Fourth full-length "***Bleak Days Ahead***" builds wonderfully upon the panoramic and poignant melodies of 2022's wounded "***Hymn to the Woeful Hearts***". Utilising a more '*live*' and separated production, the band and guests have dialled back the cinematics and upped the dynamics - allowing a varied sound palette including organ, mellotron, throat singing, piano and saxophone to express the sadness in high-functioning depression and the suffocating routines of modern life.
