Opis produktu

Black vinyl in double sided inner sleeve housed in a 300gsm w-w carton outer sleeve w/3mm spine.

Putrefaction was an early nineties death metal band which showed the first musical footsteps of Aphazel & Grimm, who'd later form the black metal band Ancient. This 7"ep presents the original 1992 demo recorded at the USF Verftet Lydstudio, Bergen, 1992.

Comes with liner notes by Grimm.

An obscure part of early Norwegian metal history now unearthed!
