Opis produktu

Active more that eight years and recorded few splits polish Putrid Evil is back again with their new style of old school **Death** / **Grind** - definately solid stuff for every **Repulsion** / **Impetigo** & **Hemdale** fan! This five songs Ep is a great explanation why ''Worm Infestation'' was picked as album of the month by the podcast of TheMightyDecibel.com - We have here their four new songs and Slaughter Of The Innocents cover by **Repulsion.** Also check them out on Obscene Extreme 2021 live!!
