### Opis produktu

Active more than eight years and recorded few splits polish Putrid Evil is back again with their new style of old school **Death / Grind** - definately solid stuff for every **Repulsion / Impetigo & Hemdale** fan! This five songs Ep is a great explanation why "Worm Infestation" was picked as album of the month by the podcast of TheMightyDecibel.com - We have here their four new songs and Slaughter Of The Innocents cover by **Repulsion**. Also check them out on Obscene Extreme 2021 live!!
