Opis produktu

The murderous rampage of PUTRID YELL lies in the sickened HM-2 evilnoise that already displays a war-command strike on the group's debut effort “Consuming Aberration”!

Cold and reptilian but akin to nails impaling with precision and mastery, PUTRID YELL is the inch-perfect blend of contemporary Swede-saw, proto 90's outta-control chainsaw sound that fascinated the extreme music world and that undeniable first-gen primal Cogumelo worship; a grating orifice of the absolute radiance of the glorious 80's South American Black/Death Metal movement.

Recorded & mixed by Cristian Leon at Lion's Roar Studio (Ripper, Hellish, Dearthsvn, etc), mastered by Damien Herring at Subterranean Watchtower Studio (Horrendous, Suffering Hour, Blood Incantation, Rope Sect, etc) with brilliantly warped artwork by Putrid Matt (Coffins, Bones, Hooded Menace, etc).
