Opis produktu

Hailed for over 20 years as one of the leading purveyors of the Slam genre, USA Death Metal OG's PYREXIA are set to unleash 'Gravitas Maximus' - their heaviest and most devastating full length offering since genre classic 'Sermon of Mockery'. With a bludgeoning return to murderous form, the new album rages from start to finish with an unrelenting mix from Demigod Studios (Organectomy, Analepsy) - providing a pulverising palette for Chris Basile's riff driven sonic assault, 'Gravitas Maximus' is without a doubt one of the heaviest albums of 2021.

Side A :
We are Many / Apostles to the Grave / The Day the Earth Shook (Survival of the Fittest) / Pawn to King

Side B :
The Art of Infamy / Rule of 2 / Bludgeoned by Deformity / Gravitas Maximus
